In Fairfax County, you may care for up to five (5) children (in addition to your own) in your townhome, apartment or mobile home or you may care for up to seven (7) children (in addition to your own) in your single family detached house by right and, in either case, you may have one helper.

If you would like to care for more children and have additional helpers and you live in a *PDH, PDC, PRM, or PTC Zoning District*, you may request approval of a special exception to allow you to care for up to twelve (12) children (in addition to your own) and/or additional helpers. To request approval of a special exception, you must submit an application to the Department of Planning and Zoning and appear before the Planning Commission, as well as the Board of Supervisors.

Regardless of how many children you care for in your townhome, apartment or house, there are a few basic rules you must follow in Fairfax County. They are as follows:

1. You must live in the townhome, apartment or dwelling that is used to care for other children.
2. You must be licensed by the Commonwealth of Virginia or have a county Home Child Care Facilities Permit, and follow all state laws and local county laws governing home child care facilities, including Chapter 30 of the Fairfax County Code.
3. There cannot be any exterior appearance or signs, other than play equipment, which show that a home child care facility is being operated within the townhome, apartment or house.
4. One helper is allowed and is limited to the hours of 7:00 am to 6:00 pm daily, unless a special exception is granted to allow additional helpers and/or hours.

The following packet explains the information you must submit to request approval of a special exception for a home child care facility.

Special exception application packages may be submitted by mail or in person to:

Fairfax County Zoning Evaluation Division
Department of Planning and Zoning
12055 Government Center Parkway, Suite 801
Fairfax, Virginia 22035

You are strongly encouraged to discuss your proposed home child care facility with your homeowners association as approval of a special exception does not abrogate or annul any covenants that may apply to your property.

If you have any questions, please contact us at (703) 324-1290 or visit our website at <http://www.fairfaxcounty.gov/dpz/zoning/homechildcarefacilities> for more information.

Re: Special Permit Application

Applicant: Connie Cooper

Zoning Ordinance: Section 8-305 for Home Child Care Facility and
Section 8-004 of General Standards

Tax Map #: 028-3-10-0005

Zoning District: R-3

Lot Size: 10,500 square feet

To whom it may concern,

Please accept the following as my statement of justification for a special permit for a home child care facility in my home. I own and live in a single-family detached dwelling at 19 Yon Way in Fairfax, Virginia with my husband and two children. The property is zoned R-3 and I understand I need to seek approval of a special permit in order to operate a child care facility within my home. I am currently licensed by the State of Virginia to have 12 children in my child care facility in my home. Below is information about my child care facilities operations:

Hours. The child care is open from 7:00 AM to 6:00 PM, Monday through Friday.

Number of Children. I care for up to 12 children at any one time. This number does not include my own two children.

Employees. I have one assistant who works full-time. Another assistant comes on Thursdays between 8 and 11 AM to help clean.

Arrival Schedule. Seven of the children will arrive between 7:00 AM and 8:00 AM. Five children will arrive between 8:00 and 9:15 AM. Two of the children will walk a block with their parent to our house.

Departure Schedule. Five children will be picked up between 2:45 PM and 4:15 PM. Five of the children will leave between 4:15 PM and 5:00 PM. Two children will stay until 5:30 PM. *(Please see my page 3 or Appendix 1 with my proposed Arrival and Departure Schedule for all proposed 12 children).*

Parking. I use my garage to park my family car. My driveway provides enough parking for two cars because the driveway is more than 28 feet long and holds two cars side by side. In addition, ample parking is available along the streets in front of my house for the parents and employees.

Area Served. Currently, most of the children live in the general vicinity of my neighborhoods. Many of the children live in neighborhoods off Government Center Parkway. These parents drive their children to my house. As I noted, two of the children live in the immediate area. Their parents walk them to the day care.

Operations. As I stated, my house is a single-family detached dwelling. It has a walk-out basement, which is where the children spend most of their time. I use the kitchen and dining area of the house (located on the ground floor) for meals and snacks. Attached is a floor plan that indicates the areas where the day care is located. The house has 1,500 square feet. The basement area, kitchen and dining rooms where I conduct the day care consist of approximately 600 square feet in total. (See Attachment 2 for floor layout and interior photos)

Hazardous or Toxic Substances. The house and yard are free from hazardous or toxic substances. No hazardous materials will be generated, utilized, stored, treated, and/or disposed of onsite.

Zoning Ordinance Compliance. The proposed development conforms to the provisions of all applicable ordinances, regulations and adopted standards or, if any waiver, exception or variance is sought, such request has been specifically noted with the justification for such modification.

Outdoor Play Area. I use my backyard for outdoor play for the children. The area is approximately 2,000 square feet. There is a swing set with slide, sand box and a fence around this area. I have drawn the swing set with slide, sand box and fence on my most recent house location plat which is included.

For these reasons, I believe that my proposed home day care facility will not impact my neighbors in any negative way.

In conclusion, I am proposing no changes to the outside appearance of my brick and vinyl sided home. I propose no addition and no signs regarding the day care. Adequate parking is available for my parents, employees and my family. For these reasons, I believe that my proposed home day care facility will not impact my neighbors in any negative way.

Sincerely,

Connie L. Cooper

All special exception uses must satisfy the following general standards outlined in Section 9-006 of the Zoning Ordinance in order for the Board of Supervisors (“the Board”) to approve the application. Your written statement should describe how the particular applicant meets the standards below as well as the Zoning Ordinance Additional Standards for a Home Child Care Facility (also included with this attachment).

1. The proposed use at the specified location shall be in harmony with the adopted comprehensive plan.
2. The proposed use shall be in harmony with the general purpose and intent of the applicable zoning district regulations.
3. The proposed use shall be such that it will be harmonious with and will not adversely affect the use or development of neighboring properties in accordance with the applicable zoning district regulations and the adopted comprehensive plan. The location, size and height of buildings, structures, walls and fences, and the nature and extent of screening, buffering and landscaping shall be such that the use will not hinder or discourage the appropriate development and use of adjacent or nearby land and/or buildings or impair the value thereof.
4. The proposed use shall be such that pedestrian and vehicular traffic associated with such use will not be hazardous or conflict with the existing and anticipated traffic in the neighborhood.
5. In addition to the standards which may be set forth in this Article for a particular group or use, the Board shall require landscaping and screening in accordance with the provisions of Article 13 of the Zoning Ordinance.
6. Open space shall be provided in an amount equivalent to that specified for the zoning district in which the proposed use is located.

These specific standards can be found on the next page, and in Article 8 of the Zoning Ordinance, which is available on the County’s web site at www.fairfaxcounty.gov/dpz/zoningordinance. How the particular application meets these standards must also be addressed in written form.

PROCESSING OF A SPECIAL EXCEPTION APPLICATION

STEP 1 – SUBMISSION OF THE APPLICATION: A complete special exception package, containing all of the required items, must be submitted by mail or in person to the Zoning Evaluation Division (ZED) in the Department of Planning and Zoning (DPZ). The office is open Monday through Friday from 8:00 a.m. to 4:30 p.m.

STEP 2 - APPLICATION ACCEPTANCE: An application will be reviewed for acceptance only when a complete application package that contains all required submission items is submitted. The Applications Acceptance Section of the Zoning Evaluation Division will review all complete application packages in the order in which they are received. If deficiencies are found, a letter will be sent to the applicant or authorized agent, regarding deficiencies that must be corrected. The special exception application will be accepted when all Zoning Ordinance submission requirements are met, including payment of the applicable fee. Once the special exception application has been accepted, a letter will be sent to the applicant/agent verifying such acceptance. The application is then assigned to a staff coordinator and distributed to various Departments for their review. If you have any questions about your application prior to filing or acceptance, please call (703) 324-1290, TTY 711.

STEP 3 – REZONING/SPECIAL EXCEPTION BRANCH: After a special exception application is accepted, it is forwarded to the Rezoning/Special Exception Branch of the Zoning Evaluation Division for processing. At that time, a public hearing before the Planning Commission will be scheduled. The applicant/agent will be contacted by the staff coordinator to confirm this information. The public hearing date is generally 4 to 6 months from the date of acceptance (the date that all non-deficient submission requirements are received), unless a deferral is requested by the applicant. If you have any questions about your application once it has been accepted, please call (703) 324-1290, TTY 711.

STEP 4 - STAFF REVIEW PROCESS: Upon acceptance of a special exception application, the application will be reviewed by staff for compliance with the Comprehensive Plan and the Zoning Ordinance and for its impacts on land use, transportation, environmental resources, public facilities and other factors. The review process is managed by a staff coordinator within the Zoning Evaluation Division who will be the primary point of contact for the application. The staff coordinator will transmit requests for additional information needed to review the application, will provide staff comments/issues on the request, facilitate the resolution of any issues which may be identified, and will respond to questions/inquiries about the application. A written staff report will be prepared documenting the analysis of each application and presenting a recommendation to the Planning Commission and the Board of Supervisors. The staff report is generally published 2 weeks prior to the Planning Commission's public hearing, at which time it is made available to the public. The staff report is available on-line 2 weeks prior to the public hearing at <http://ldsnet.fairfaxcounty.gov/ldsnet/>.

STEP 5 – NOTIFICATION: Prior to the Planning Commission and Board of Supervisors public hearings, the applicant/agent must send written notice to the property owners in the vicinity as required by the Zoning Ordinance. A package which contains instructions on how to complete the notification process will be sent by the County to the applicant/agent approximately 30 days prior to each public hearing. If you have any questions about notification, please call at (703) 324-1290, TTY 711. It is extremely important that these instructions are followed exactly. A public hearing cannot be conducted unless the notification process is completed correctly and within the mandated timeframe by the applicant or the applicant's authorized agent. Please see Section 18-110 of the Zoning Ordinance for additional information on required notification.

Between 21 and 14 days prior to the public hearing, County staff will advertise the public hearing in a local newspaper. A minimum of 15 days prior to the public hearing, County staff will also place one or more yellow sign boards on the application property notifying the public of the public hearing. The sign boards must not be removed from the property. After the public hearing, the sign boards will be removed by County staff.

STEP 6 - PUBLIC HEARINGS: Public hearings before the Planning Commission and the Board of Supervisors are required for all special exception applications. The Planning Commission public hearing is scheduled once the application is accepted. Applications will be scheduled in the order in which they are accepted. The Planning Commission holds a public hearing on each application and makes a recommendation to the Board of Supervisors. The Board of Supervisors public hearing is scheduled subsequent to the Planning Commission making its recommendation on the application. The Board of Supervisors holds its public hearing and makes the final decision on each application. Both the Planning Commission and the Board of Supervisors meetings are held in the Board Auditorium in the Fairfax County Government Center, 12000 Government Center Parkway, Fairfax, VA. Planning Commission meetings are held on Wednesday and Thursday nights commencing at 8:15 p.m. The Board of Supervisors meetings are held on Mondays commencing at 3:00 p.m. The Planning Commission agenda can be viewed on the County web site at <http://www.fairfaxcounty.gov/planning/meetingcalendar.htm> (703) 324-2865, TTY 711. The Board of Supervisors agenda can be viewed on the County web site at <http://www.fairfaxcounty.gov/government/board/meetings> or by calling (703) 324-1290, TTY 711.

To learn more about the public hearing process, applicants may want to view a meeting prior to their hearing date.

Televised Meetings: Fairfax County Cable Channel 16 broadcasts all Planning Commission and Board of Supervisor's meetings live. For program listings, check the viewing guide at www.fairfaxcounty.gov/cable, or call (703) 324-5930, TTY 711.

Telephone Access: To listen by telephone while the public hearings are underway call (703) 324-7700, TTY 711.

Public Access: For special accommodations or alternative information formats, call (703) 324-3151, TTY 711.

Conduct of Public Hearings:

- The Chairman of the Planning Commission or the Board of Supervisors will call an application to be heard.
- The applicant/agent is required to be present at the public hearing and will be asked to come to the podium to state his/her name and address and to reaffirm the affidavit.
- Staff will describe the location of the property and the request, and present other pertinent information.
- The applicant/agent will present the justification for the special exception request, including how the application meets the Zoning Ordinance standards for the Special Exception.

- The public hearing will then be opened for testimony in support of, or in opposition to, the request. Anyone wanting to speak at the public hearing may do so or may submit written testimony to the Clerk to the Planning Commission or the Clerk to the Board of Supervisors, as appropriate.

Although not mandatory, as a courtesy and to ensure the accuracy of the record, those who wish to speak on a particular case are requested to sign up on the speaker's list prior to the day of the meeting by contacting either the Planning Commission at (703) 324-2865, TTY 711 or <http://www.fairfaxcounty.gov/planning/speaker.htm>, or the Clerk to the Board of Supervisors, at (703) 324-2321, TTY 711 or https://www.fairfaxcounty.gov/bosclerk/speaker_bos.htm, as appropriate, and identifying the following:

- application number
 - the speaker's name
 - the speaker's address and telephone number
- At any time during the public hearing, a member of the Planning Commission or the Board of Supervisors may ask questions of the applicant/agent, staff or a speaker.
- The Planning Commission makes its recommendation, and the Board of Supervisors makes its determination, based on whether an application meets **all of the Zoning Ordinance Required Standards for a Special Exception** as found on page 3 of this publication, as well as any additional standards and other relevant Zoning Ordinance provisions. The Board of Supervisors will impose conditions on a special exception, as it deems necessary.
- At the close of the Planning Commission public hearing, the Planning Commission will vote to recommend that the Board of Supervisors approve or deny the application, continue the hearing to another date if it needs additional information, or defer decision to a later date. At the close of the Board of Supervisors public hearing, the Board will approve or deny the application, continue the hearing to another date if it needs additional information, or defer decision to a later date.

STEP 7 – LETTER OF DECISION: The Clerk to the Board of Supervisors will mail a letter to the applicant or the applicant's authorized agent containing the final decision of the Board of Supervisors, which, if the special exception is approved, includes the imposed development conditions. If the Board of Supervisors denies a special exception request, a new special exception application cannot be filed on the same property for one year, unless a waiver of the one-year wait period is granted by the Board.

STEP 8 -IMPLEMENTATION: A special exception virtually always has conditions which must be met prior to final establishment of the use, in addition to other plats/plans such as site plans and occupancy permits which must be submitted and approved. Whenever a special exception is approved by the Board of Supervisors, the activity authorized must be established or any construction authorized must be commenced and diligently prosecuted within such time as the Board may specify in the approval, or, if no such time is specified, then, within thirty (30) months from the approval date of such special exception. If the use has not been established or construction has not commenced within such time, the special exception automatically expires, without notification by the County, pursuant to Paragraph 1 of Section 9-015 of the Zoning Ordinance, unless additional time is approved by the Board of Supervisors. Should additional time be necessary to establish the approved special exception, a letter requesting additional time must be filed with the Zoning Administrator prior to the date of expiration of the special exception. The additional time request must specify the amount of additional time requested, the basis for the amount of time requested, and an explanation as to why additional time is required. The

procedure to request additional time is contained in Paragraph 2 of Section 9-015 of the Zoning Ordinance. If you have questions about the implementation of your special exception or about filing a request for additional time, please call (703) 324-1290, TTY 711.

Note: The approval of a special exception does not interfere with, abrogate or annul any easement covenants, or other agreements between parties, as they may apply to the property subject to this application. Please check with your homeowners' association prior to filing.
